"Holy Water"

Marshmello, Jelly Roll

INTRO – 2 mesures

COUPLET 1

Heard that you were late goin' home
Knew it right away, something's wrong
Guess you gotta go when the angels callin'

Never got to say what I want
Never be the same with you gone
Crack another can for the lost ones fallin'

PREREFRAIN 1

One tear for the brokenhearted pour out a little holy water
Two tears for the soul departed pour out a little holy water
We still slowly feel what you feel, yeah, yeah
Two tears for the soul departed
Pour out a little holy water

REFRAIN 1

Ee-yeah, ee-yeah, ee-yeah
Ee-yeah, ee-yeah
Ee-yeah, pour out a little holy water

COUPLET 2

Memories, they stream down my face
Smilin' while I bite through the pain
Guess I'll never know why the good die young, yeah

Lookin' for somebody to blame
Anything to get through the day
So I crack another can for the lost ones fallin'

PREREFRAIN 2

One tear for the brokenhearted pour out a little holy water
Two tears for the soul departed pour out a little holy water
We still slowly feel what you feel, yeah, yeah
Two tears for the soul departed
Pour out a little holy water
